

S.B. No. 184

I support this legislation. Salisbury has the oldest population in the state and this bill makes voting easier if you are elderly or have difficulty getting around.

SECOND BILL: AN ACT REVISING CERTAIN ABSENTEE VOTING ELIGIBILITY STATUTES. (5262)To revise certain absentee voting eligibility statutes to more closely align the language thereof with that of the related state constitutional provision.

I support the protection of absentee ballots. There is no evidence that vote by mail increases fraud but there is evidence that it increases the numbers of people who can vote.

Thank you, Amy Lake, Lakeville, CT
